Student Testimonials**

“This class supplies a wealth of knowledge about small businesses that you can’t afford to miss” *Cynthia*

“This class was very useful to me because it made me think and re-think my business approach, organization and bookkeeping.” *Dan*

“Outstanding class! New business operators will have a real advantage if they take this course prior to starting their business. The one-on-one counseling is exceptional.” *Bob*

“51% rated it excellent and 28% rated it very good. All of the students felt that the class delivered what was promised and that the material was very good.”
